

Deer Country Point Builder Plus Mix

- Spring/fall planted perennial mix offering year-round food source
- Performs well on medium to heavy soil types in light shade to full sun
- Contains grasses with higher sugar content & higher energy legumes

Excellent choice for plot along wood lines or open areas. Deer Country Point Builder Plus offers rapeseed as a fall annual but is full of high quality perennial clovers, a high sugar perennial ryegrass blend and chicory. The perennials provide a luscious plot for following years when managed correctly.
