

Horn Honey Mix

- Spring/fall planted perennial mix offering year-round food source
- Performs well on medium to heavy soil types in light shade to full sun
- Contains various high energy legumes that will thrive in various geographical locations
- Chicory will thrive during hot & dry summer months

Horn Honey is specially formulated with high quality clovers and chicory that will be sure to bring in the does and BUCKS! With proper planting and maintenance, this mixture will last for years. A solid foundation for any quality deer management plan.

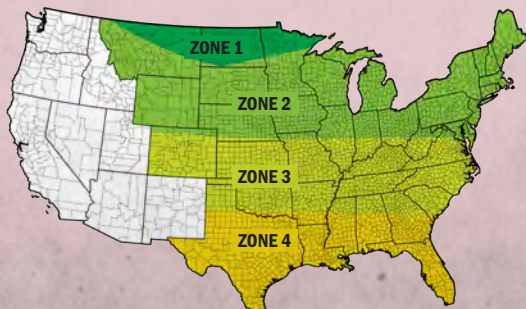

LIFE CYCLE: PERENNIAL	SEEDING RATE: 10 LBS/ACRE	BAG SIZE: 10 LBS, 5 LBS
